courts shall be called on to determine ultimately the merits of the re-subwould permit unlimited tenure to city treasurers and to city commissioners of the revenue when elected by the people, for the World is anxious "that the foundations of law and order shall not be tampered with simply to insure the prosperity of a few individuals." The same newspaper says:

The issue is not whether treasurers and commissioners shall be allowed to succeed themselves. It is whether our constitution is a miserable farce or an instrument worthy of decent treatmistrument worthy of decent treatminstrument worthy of the realized by while tonnage has practically stood with tonnage has practically stood with the railroads a chance to still. Give the railroads a chance to still. Give the railroads a chance to buy their materials cheaper, reduce the costs of maintenance and operation, and enable them to secure a light cost of maintenance and operation, and enable them to secure a light cost of maintenance and operation, and enable them to secure a light cost of maintenance and operation, and enable them to secure a light cost of maintenance and operation, and enable them to secure a light cost of maintenance and operation, and enable them to secure a light cost of maintenance and operation, and enable them to secure a light cost of maintenance and operation.

CADE.

No sounder evidence of the unchangeable blueness of human nature exists than the fact that for every superman who strides out upon the world stage there are unnumbered prototypes. Roosevelt, for instance, might easily be proved to be but the reincarpation in type of many men who appeared in the ages past, each believing himself omnipotent and omniscient. Roosevelt regards himself omnipotent and omniscient and the total of the part and progress. Here there is nothing down to a level, where the average laborer has as instrument worthy of decent treat, where the average laborer has as much purchasing power with his pressing power has the w

The Virginians are to be highly commended for the re-spect and consideration they have shown public sentiment in North Car-olina this time by leaving off the free distribution of liquor samples along their route, and there is no reason why their reception should not be a most cordial one, which it most certainly will be in Henderson this afternoon.—Henderson Gold Leaf.

Voice of the People

That whiskey in prohibition Atlanta must be something awful. A man in that town filled up on the study in the tother day, cut his throat with a razor, and defied all of Atlanta to come and take him. They had to lasso him and the him until he could sober up. He had not been on a spress—just took a couple of swirs, and then went on a rampage. Blind tiger booze evidently puts something of the tiger into its imbibers.

Lieutenant-General Sir Douglas Haig is commanding the Blue Army in the British manoeuvres—doubtless with Alde Club soda on the side.
